**Re: Legal Liability Facilitator**  
**Monei Monchwe**

Dear Sir/Mam,

I and a few colleagues of mine had a privilege of attending a Mines Health and Safety Act (MHSA) Legal Liability training at Kolomela Mine on the 18<sup>th</sup> and 19<sup>th</sup> February 2020.

With my limited knowledge of the MHSA, I must admit that the way Monei presented the course was very informative to one whose only background was on the Occupational Health and Safety Act. The following with respect to her presentation are highly commendable:

- i. Course Presentation
- ii. The Examples Given.
- iii. The Layout of the Course
- iv. How she got the participants involved, etc

I am confident that with her skills and personality as well as her knowledge on the subject she will add a lot of value to other attendees to this and other course materials she presents.

Should you have any queries please do not hesitate to contact the undersigned.

Regards,
